## Cycle advice

- Give way to pedestrians, wheelchair users and horses, smile and say hi!
- Pass slow and wide, to a walking pace or stopping completely if necessary, especially when approaching or passing horse-riders.
- Ride at a speed you are comfortable with so you know you can stop easily in an emergency.
- Watch out for and anticipate others at junctions, bends, entrances onto the path, or any other 'blind spots'.
- Let other trail users know you're coming; a friendly 'Hello', or ringing your bell will let people know you are there.
- If there is a dividing line separating cyclists from pedestrians, try and keep to the appropriate side.
- Put your lights on when it's dull or dark so that people know you're there.
- Always follow the countryside code.
